

PHILIPS

Museum

Welcome to the Philips Museum

On the Emmasingel in Eindhoven, at the exact same place where Philips manufactured its first incandescent lamp back in 1891, you'll now find the modern Philips Museum with its many interactive exhibitions.

Enjoy an unforgettable journey in time...

through the impressive history of the global Philips organization. Be inspired by the founders of Philips and the fantastic innovations achieved by Philips pioneers over the years. With the help of exciting stories, the Philips Museum takes you from the company's very early days right through to the innovations of tomorrow.

Tours

There are a number of tours available at the Philips Museum. Inspiring guides can show you round the museum or take you on a tour of the surrounding area to see Eindhoven's rich heritage.

'Innovation and you' Experience

The 'Innovation and you' Experience gives you a clear and spectacular insight into the future and the role that modern technology could play in it. Interactive displays that respond instantly to your input enable you to experience for yourself how modern technology is changing our lives.

Mission Eureka

Eureka is an interactive game for families and other groups that is based on more than 100 years of Philips inventions. You play Mission Eureka together on an iPad in a team of 2, 3, or 4 people. There are eight challenges – questions to test your knowledge, puzzles and assignments – for you to solve together. **This is your chance to unleash the researcher inside yourself!**

New: Philips Design Tour

Thanks to augmented reality, you can now explore the museum in a novel way in the Philips Design Tour. With a tablet in hand, each visitor will discover the world of Philips Design and the ideas behind iconic products – from the early graphic design posters by Louis Kalf in 1925 to timeless design classics and the Philips solutions of the present day.
